

The Antique Motorcycle Billing Options

Member, John Lindberg is now handling billing for ads in *The Antique Motorcycle*. Based on your preference, you can pay one of three ways:

1. John can send you an invoice via PayPal. This is who AMCA uses for processing credit cards. You don't need a PayPal account to use this method. You will receive an email from "Support@PayPal.com". You'll enter your credit card information yourself, and the system is encrypted and secure. An electronic receipt is provided.
2. John can enter your credit card information directly into the PayPal billing system. In order to use this option, you'll need to complete the attached Credit Card Authorization Form. John will call you to obtain the rest of the information required. An electronic receipt is provided.
3. John can mail or email you a traditional invoice, and you can pay by check or money order or bank transfer. John will let you know when your check arrives.
